

Ad list

The booked ads are itemized in the ad list and can be dragged & dropped or automatically (full or semi) placed in an opened QuarkXPress document.

The information of the ad system and QuarkXPress document will be adapted and only consistent ads will be placed on a page.

The screenshot shows the 'Ad list' window in the Ad2PlanPro software. The window title is 'ex Ad2PlanPro - AUSTAUSCH:8-out.textanzeigen.txt'. It features a toolbar with buttons for 'Place Ad', 'Remove', 'Show', and 'Ad list'. Below the toolbar is a search bar and a 'Search' button. The main area contains a table with columns for 'URN', 'Customer', 'Catohline', 'Width', 'Height', 'Colou...', 'Colou1', 'Colou2', and 'Section'. The table lists several ads, with the second row highlighted in blue. The status bar at the bottom indicates '3/9 - 15/1365 mm'.

URN	Customer	Catohline	Width	Height	Colou...	Colou1	Colou2	Section
