

## Production

If the user drag&drop pictures to one of the targets on the right hand side, meta data can be automatically applied to these pictures. A dialog automatically pops up, show the results and the user can edit any additional field.

The screenshot shows a dialog box titled "Production - MDF39660" with a close button (X) in the top right corner. The dialog is divided into three main sections: "Caption Edit:", "Thumbnail", and "Comments:".

- Caption Edit:** A text area containing the caption: "Nicole Pietrangeli of the Czech Republic serves to Casey Dellacqua of Australia during their match at the Wimbledon tennis championships in London June 27, 2008. REUTERS/Kevin Lamarque (BRITAIN)".
- Thumbnail:** A small image showing a tennis player in a white outfit serving a ball.
- Comments:** An empty text area for adding comments.

Below these sections is an "Info:" line: "JPEG, 2143 x 3061 pixels, 300 x 300 dpi, 8 bpp, RGB, 423 KBytes".

The main body of the dialog contains various metadata fields:
