

Quark XTensions

CoDesCo IT Consulting develops and distributes **XTensions** for **QuarkXPress**, **QuarkCopyDesk** and the **Quark Publishing System- QPS**. Altogether our whole Quark XTension portfolio includes more than 400 XTensions for different areas in the segment of "Publishing".

If you need a XTension-solution for the optimization of your publishing workflow, we will inform you in an unbinding counseling interview about our XTension products and solutions or about the possibilities of a customized XTension development.

Buy XTension/ Productdescription

Search in our well assorted product database for your needed Quark XTension by tipping a keyword, like productname, theme, etc.:
